the 1990s, the number of people in the UK with a mental health problem has increased by 50% (Mental Health Act 1983, 1990). The prevalence of mental health problems in the UK is estimated to be 10% (Mental Health Act 1983, 1990).

There is a growing awareness of the need to address the needs of people with mental health problems. The Mental Health Act 1983 (1990) was a landmark piece of legislation which introduced a new framework for the care of people with mental health problems. The Act was designed to ensure that people with mental health problems were treated in a way that was consistent with their rights and needs.

The Act introduced a number of new provisions, including the requirement that people with mental health problems be treated in a way that is consistent with their rights and needs. The Act also introduced a new framework for the care of people with mental health problems, which was designed to ensure that people with mental health problems were treated in a way that was consistent with their rights and needs.

BERLIN HIGH SCHOOL

1983

Coach P.

Thank you for all your time and effort. When things were going badly you stuck by us, encouraging us all the way. You never let us forget how good we were — and your confidence in us paid off. We began to win, and the more we won, the more we realized that, without you, none of this could have happened. You became our coach and our friend — someone we could relate to.

How awed we were by you as freshmen, only later to realize that you were a person just like us. So thank you, Coach P., for always being there and for showing more dedication to a cause than anyone else we know.

Brian Gombotz
Co-Captain, Berlin High School
Varsity Football Team

The dedication of the 1983 LAMP is offered to a person who has served our school and community in a number of ways. He has befriended many students while teaching his physical education classes, and while coaching both the football and girl's track teams.

Now, looking back over the past four years, we begin to realize how much he has done for us, how much he means to us, and how much we will miss him; this man is Al Pelligrinelli, better known as Coach P.

To Our Coach

Dear Coach P.,

How can we thank you for your total dedication to the coaching of our Girl's Track Team? Since our freshman year, you have given us the incentive to work and to achieve as a team. You have taught us to win as well as to lose with pride. And most of all, you have helped us to realize how important it is to take pride in ourselves and our accomplishments. We feel that the dedication of this yearbook could not have been given to a more deserving person. We will never forget you.

Love,

The Girl's Track Team

Time

The Senior class has spent a lot of time here—forty two minutes a period, seven periods a day, one hundred eighty days a year, for four years. From September 1979 to June 1983 they have passed their time, learning, living, playing, acting, reading, singing, dating, dancing, and having an all around good time of it. Many of them played sports after school, others had part time jobs. Most have, at one time or another, been late, been early, stayed after, stayed home, had an early dismissal or perhaps participated in extra-curricular activities. If you think about it, time has governed our lives at Berlin High—something to consider while spending time with your yearbook.

 "Mr. Scannell!! HELP!!"

This is how the production of the 1983 LAMP began. With the aid of our advisor, Mr. David Scannell, the staff and editors dedicated a great deal of time, effort and occasional frustration to the production of this book. Our goal has been to recreate high school, as we have lived it, in the pages of this yearbook. We have tried to capture the important moments as well as the everyday happenings.

The staff and editors of the 1983 LAMP are proud of this recording of our class's history and hope that it will help supplement your memories of Berlin High School.

112 Years of Service

Mrs. Emilie Yukna

Mr. Edward Goodrow

We would like to take a moment to wish a happy retirement to these teachers and to thank them for all they have brought to Berlin High School. Mr. Goodrow joined our school in 1951 and has served as a teacher of Ancient and Medieval History and as the head of the history department. In 1953, Mr. Dunn, who has served as both a teacher and administrator, first came to the Berlin Public Schools. He served many years as the principal of Percival School before taking his post at Berlin High. Miss Earn, teacher and manager of the Reading Department, arrived in 1955. She brought the enjoyment of reading to students for 28 years. In 1961, Mrs. Yukna became part of our school. Many students may know Mrs. Yukna from her work with the Service League, as well as from her duties as teacher and department head . . .

Farewell, good luck, and thank-you
from all at Berlin High.

Guidance Secretary

Guidance

The Guidance Department continues to work hard assisting students with courses and future career decisions. To aid the counselors in college, career, and vocational planning with the students, a new computer has been added to the department.

The department's goal for the year is to integrate the computer into their counseling services. This year counselors, Mr. Sangeloty and Miss Mitchell are teaching freshman health classes. Mr. DelConte teaches English along with his duties as a guidance counselor.

"Thanks, this payment will get your transcripts sent to the colleges of your choice."

Mr. Stanley Sangeloty is caught in a typical pose.

Come on Mr. Lattanzio, why don't you try to clean up that desk!

"I'm not mad, but why are you so late for your appointment?"

Mr. Spieler tries to hold back a chuckle after hearing a comment from one of his student's about Shakespeare.

English

The English Department's main objective this year is to strengthen the writing skills of students. A writing folder concept will be initiated to supplement this goal, according to Department Head, Mr. Spieler. Students are encouraged to contribute to class discussions on a regular basis.

Few changes have been made this year. Due to cuts in the school budget, the teaching staff has been reduced from ten to nine teachers. Shakespeare, a half year literature elective, has been introduced to the department curriculum. Many field trips have also been planned to reinforce and expand on ideas discussed in class.

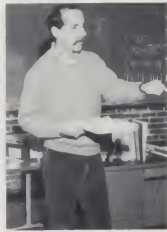

"I'll give you that one, 'The Fly' is better than 'The Scorpion'."

"Your composition is not that bad, but it could be better!"

The English Department takes a turn at being students.

"Sit down or else," says Mr. Scannell.

Science

Science

The Science Department modernized itself this year with the use of computers in the classes. The department's greenhouse was equipped this year to provide all plant study material for the biology classes. The Biology section also became more advanced by adding a higher level of Marine Biology, and instituting double lab periods for Fundamentals of Biology.

This year, Mr. John McNulty was added to the department. The department's goal for the year is to increase the use of computers in class, according to department head Mr. Russo.

Mathematics

Mathematics

Computers continue to dominate the world of math. To enhance the students' knowledge of math, six new Apple II computers have been added to the department. This has enabled twice as many students to participate in computer courses. Computer Math B allows a student to take a full year of computer mathematics. The department's goal for the year is to continue to review and improve the mathematics curriculum: according to department head Mr. Ken Sherrick.

Social Studies

Left to Right: Mrs. Violet Murphy, Mrs. Susan Daniels, Mr. Edward Goodrow; *Department Head*, Mr. Morton Dondes, Mr. George Hall.

Social Studies

The Social Studies Department will have a major change after this year because of the retirement of department head Mr. Edward Goodrow. This year there has been a change in the faculty. Mr. Gino Lattanzio and Mrs. Susan Daniels have become part time members of the department.

The department's goals for the year are: to consider revision of the present curriculum; also, to attempt to make the United State History course a two year program instead of its present one year program, it would be mandatory for both sophomores and juniors, according to Department Head Edward Goodrow.

"If you dare to come in, I'll teach you Spanish."

Foreign Language

The Foreign Language department has shown a remarkable increase in student enrollment this year, according to department head Mrs. Sandra D'Angona. The department's goal is to encourage students to participate in the study of a foreign language. Most universities and colleges now require students to have at least two years of a foreign language. It is important for students to be exposed to a foreign language in order to learn about other cultures.

Miss Schubach awaits a call on the "el teléfono," and don't forget the accent over the second e!

"If someone doesn't volunteer to play the part of Senora Barilaro I'll flunk you all!!!!"

"Class, Spanish is no laughing matter."

Music

Mr. Robert Kelly, Mr. Paul Karam; *Music Coordinator.*

Music

The Music Department underwent a major change this year. Mr. Robert Kelly replaced Mr. James Bruni as the choral director. Because of this, a change in program goals occurred. The emphasis for the year was placed on increasing the number of students in the chorus program. Another objective which the department tried to accomplish was to place a greater emphasis on theory in the performing organizations. Also, the band performed at Walt Disney World, Florida over the spring vacation in April.

Home Economics

Home Economics has taken on a new goal; interjecting vocational awareness into all the courses in order to help students make decisions about their future careers. To help the students in their work, the department has either added new equipment or replaced old equipment in various areas. A new text has been added in the Child Development classes. The Cooking for a Crowd has also had a new uplift by catering the faculty In-Service Luncheons and continued to be an exciting course with its weekly luncheons, according to Department Head Emilie Yukna.

Home Economics

Mrs. Pamela Dennis, Mrs. Emilie Yukna; *Department Head.*

Business

Top to Bottom: Mr. Patrick Phaup, Department Head; Mr. Jeffrey Miller, Mrs. June Valentino, Mrs. Betty Trider, Mr. Raymond Lowell.

The Business Department offers courses in many specialized areas. These courses prepare the student for future employment in the business world as accountants, secretaries, and retailers. This year, the department is busy planning a new word processing course which would utilize the new Apple II computers recently purchased by the school. The department is also beginning to replace all the old typewriters with new electric typewriters according to Mr. Phaup, head of the department.

Due to these tests, the department strives to put more activities into the classes, along with encouraging more participation. A new course was added this year which requires sophomore participation. The course is to aid in the learning of First Aid, according to Department Head Al Pelligrinelli.

STUDENT LIFE

All Wound Up

Spirit Week, sponsored by the Cheerleaders, varied slightly from past years. As usual, each class decorated one hallway with chosen themes. The young freshmen picked the Peanuts, the sophomores chose the Muppets, the juniors decided on The Wonderful World of Disney, and the seniors' victorious hallway was decorated with Mac-Donald's characters. Along with the annual hat day, color day, Mr. Legs contest and Tug-of-War; the bubble gum blowing contest, pie eating contest, toilet paper wrap, and Ms. Legs contest were included in the week's activities. The finals were held at the Pep Rally which was Friday during school. The seniors pulled strenuously to win the Tug-of-War, but had to give the cheering trophy to the freshmen. All Fall teams left the Pep Rally with an enthusiastic view on their beginning season. A dance, held Friday night, ended Spirit Week but not the spirit of the students.

Homecoming Game

The overjoyed 1982 Homecoming Queen; Nancy Krug.

The annual Berlin High Homecoming game was held on Saturday October 16, 1982. The thrilling event began at 1:30 p.m., when the Redcoats kicked off against Avon at Sage Park. All of the day's excitement brought Berlin to a shutout victory of 18-0 against Avon. The Band, Drill Team, and Colour Guard performed an entertaining halftime show during which the presentation of the queen and her court was held.

"Here Brian, take it, but don't let them see you."

The girls were presented with flowers and a kiss from a town official during the ceremony. The 1982 Homecoming Queen was Nancy Krug. Her court consisted of: Senior attendant Gwen May, Junior attendant Debbie Tolomea, Sophomore attendant Chris Fisher, and Freshman attendant Jill Maguder. All five girls were overjoyed on this breezy afternoon.

Everlasting Memories

The Student Council is a representative group of students consisting of seven members from each class. The Council's main objective is to perform worthwhile projects designed to help the school such as Homecoming. The Council has five officers who organize and lead the group. The meetings are held on a fluctuating basis, usually at the discretion of the president and the advisor. They are informal meetings consisting of discussions and debates on issues of importance to the group. This year, due to the guidance of the advisor, Mr. Sherrick, Homecoming was very successful and well attended. Though the Council was rushed because of the early date of events, they managed with the help of Jim Day to line up a New Jersey band called "Toby and the Incroyables." At the dance, everyone looked their best and obviously had a great time!

Powder Puff Football

On Saturday, November 13, 1982, the Berlin Council of Youth sponsored the first Powder Puff Football Game ever played in Berlin. It was a wet, bitter, cold day when the senior girls took on the junior girls in flag football. The "Mud Bowl" began at 1:30 with a kick off by the seniors. Because puddles were unavoidable, memorable "wipeouts" were executed by Kathy Lindsay, Dana Niles, Ellen Wolf, Karen Ligouri, and Diane Tolomea. Led by Coach Scott Bradley and co-captains Sue Bolles and Rosa DeFrancesco, the juniors defeated the seniors with a final score of 12-6.

Cheerleaders

The Berlin High Cheerleaders are responsible for supporting various team sports and promoting school spirit throughout the year. The 1982-83 varsity Cheerleaders led by Diane Tolomea and Jane Carlson cheered for the varsity football and basketball teams, while the junior varsity squad led by Kathy Conners and Lisa Freeman cheered for J.V. football and basketball. Also, both squads cheered for selected wrestling matches.

In addition to cheering, the Cheerleaders conducted Spirit Week which involved class competition in pie eating, tug-of-war, and other similar contests. The end of the week brought a fall sports pep rally and a dance. The varsity squad participated in a half time performance at Central Connecticut State University. The Cheerleaders organized a pep rally in December in hopes to encourage the winter sports teams. Candy and bake sales were also held in order to raise money for new warm-up suits and basketball uniforms. The year's activities closed with tryouts for the 1983-84 Cheerleading squads.

Simultaneous Dancers

The twenty-four member squad known as the Berlin High School Drill Team kicked their way into the hearts of their classmates this past season. Led by co-captains Gwen May and Terri Knapsack, the Drill Team performed at the school's football and basketball games as well as certain other events, including the Berlin fair and a Central Connecticut State University Basketball Game. During the April vacation, the squad accompanied the Marching Band to Walt Disney World in Florida where they performed in an annual competition.

During the football season, the Drill Team danced to the song "I've Got the Music In Me." At the home basketball games their routine was set to the tune of "Working for the Weekend."

The Drill Team has withstood the test of time, and will always be a tradition at Berlin High.

The girls began the 1982-83 season with the Memorial Day and Fremen's Day Parades back in June of 82. A number of girls attended a Colour Guard camp in Pennsylvania over the summer. They brought back many new ideas and skills for the upcoming seasons. The Colour Guard began summer practices in August, learning and perfecting their football feature routine "We Got The Beat".

During the basketball season the Colour Guard performed a lively routine to the song "I Do." This year's squad was also invited to perform during the half-time of a Central Connecticut basketball tournament. A swing flag routine was performed by the girls during basketball season to the song, "American Heartbeat."

Starting in February the Colour Guard began once again to perfect their football half-time show, readying themselves for the April trip to Walt Disney World in Florida. They accompanied the Redcoat Marching Band and marched in the annual Disney World Parade during April vacation of 1983.

Over the past five years, the Colour Guard has grown in size, adding new faces as well as ideas and skills. This has given greater recognition to the squad during their outstanding performances.

In unison, the Colour Guard defines the beat of the band.

"Lynae . . . shouldn't you be looking over here?"

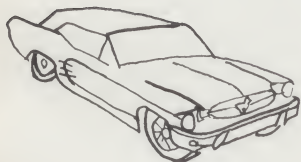

The senior Colour Guard members form a "go get'em" bunch!

Performing at the Pep Rally, Chrissie DeMay and Laura Ronczka have proved that they are definitely "Wild and Crazy."

The Redcoat Marching Band

Under the leadership of Drum Major Chris Urso and Majorettes Beverly Blair and Lori Drake the Berlin High School Redcoat Band marched their way into the hearts of many football fans this season. They began preparing their routines at the annual "band camp" in August and were ready to take the field for the halftime of the opening game. Behind the power of senior trumpeters George Siritiotis, Dave Strazzulla, and Kurt Erickson the band thrilled crowds at all home and away contests with musical selections including: the "Theme from Superman," "Star," "I've Got the Music in Me," and "We've Got the Beat."

The year 1983 will remain an important one in the history of the Redcoat Band. In the spring the unit received all new uniforms giving them a bright new look. These uniforms came just in time for the band's first-ever trip to Florida. On April 18, 1983 the Redcoat Band boarded a plane at Bradley International Airport and flew to Orlando Florida. Here the unit led the "Main Street" Parade at Disney World and then went on to compete in a marching festival in Lakeland Florida.

Besides their rigorous marching and rehearsal schedule the band also makes many performances including their annual Holiday and Spring Concerts.

Three outstanding musicians were chosen to participate in the All-State program in May. They included Chris Urso — clarinet; Wendy Skolnick — flute; and Dan Schriber — clarinet.

The salute by the major and majorettes officially begins the halftime performance.

Math Team

The Math Team is comprised of representatives from each grade who participate in mathematical competition on the varsity and J.V. levels. Advisor Robert Rainwater holds after-school practices in preparation for the monthly meets. A maximum of five students can partake in any one competition. There are five ten minute tests called rounds. Each round has a different mathematical subject and consists of three questions worth in total, six points. Individual participants compete in three out of five rounds, and the team working together answers three questions in the final team round. The Math Team travels throughout Connecticut challenging both public and private schools. This year the team has consistently placed near the middle of the twelve team competitions.

GIRLS' STATE — Lori Drake, Micheline Poulin, Eileen Scalise, and alternate Kathy Ann Lindsay.

Girls' State

Laurel Girls' State is an annual program which gives a few girls from each high school in Connecticut a chance to spend a week in an intensive study of democratic government. During the week, the 1982 delegation lived in organized "towns" and took part in mock proceedings of the court system, town council and local governments. Micheline Poulin, Eileen Scalise, and Lori Drake enjoyed their week spent at UCONN and returned home ready to campaign for office.

Boys' State

From June 20-25, 1982, eleven representatives from Berlin High School attended Boys' State. This week long session was coordinated by the American Legion and supported by many town groups. During this time, the community of Boys' State encountered many speeches, discussions, debates, meetings and elections. A mock government was set up, allowing all individuals the right to hold a public "office." John Campbell, Tim Dreher, Chris Urso, Steve Lund, George Siritiotis, Seth Wendehack, Jon Mikhels, and Paul Lombardo actively participated in the House of Representatives. Ron Kemmling took part in the Senate. Tom Recck and Tony Ryba served in the town governments as town selectman and Police Chief, respectively.

Tom Recck summed up the feelings of the group by saying, "It was an experience that no one will ever forget."

The staff has used their talents to the fullest to make the paper become more popular with the students. The paper's goal for the future, according to editor-in-chief Ingrid Poglitsch, "is to get more of the student body involved." This year, the paper tried to cover all school events and include them in their issues. The whole staff would like to take this opportunity to thank Mrs. Wolf for all her time and efforts in making this year a success.

The magazine included poetry, short stories, essays, and sketches, designed by teachers, senior citizens, and students from the town of Berlin. The goal for the coming year is to get more people involved in writing and helping publish the magazine. The editors hope that this magazine will be as successful in the future as it was this year.

The Media Club is a service organization. There are approximately 21 students involved in the club this year. The members of the Club perform a variety of services for the students and faculty of B.H.S. They are responsible for the delivery and pick up of all audio visual equipment including the television video tape. In addition to this, they assist in the media center by charging the books out of the library. The members also receive all the books that are returned. Occasionally some reshelving of the books becomes one of their duties. The Club also makes photo copies for students and teachers. All the members handle these responsibilities during their study periods and before or after school.

WERB Staff

The WERB Radio Staff fluctuates from 25 to approximately one hundred members throughout the school year. All of the members must go through a period of training. Then they have to pass an exam and an audition to qualify as broadcasters. Depending on the members personal interest, he may become involved in special activities. These activities include broadcasting Berlin High School sports events, concerts, and other happenings. Some students prefer to do a normal studio broadcast. Many students benefit from this opportunitive experience.

Smoking Committee

The smoking committee is an organization which was created out of necessity. When students were given smoking privileges, a student committee was needed to ensure proper use of this privilege. For over ten years the smoking committee has been responsible for the designated smoking areas in the school. The members clean and maintain order in these areas at all times. The committee has been successful in its efforts to maintain student smoking privileges.

Junior Prom

March 19, 1982 will always remain a memorable night for many members of the Class of 1983. Our Junior Prom was held at the Villa Capri in Wallingford. The night began at 7:00 with formal portraits taken in front of a cascading stairway draped with flowers. A buffet dinner followed in the ballroom which was decorated in the chosen colors of pink, cranberry and white. Music was provided by the fabulous Channel I. Before the playing of the theme, "Just Between You and Me," Prom Chairperson Jane Christiano, Class President Bill Warner, and Class Treasurer Eileen Scalise announced the prom queen and her Court. Linda Nesta and Gail Grabowski were the first and second runners up, respectively. Craig DeVivo was the lucky King and finally Kathy Ann Lindsay was announced as Junior Prom Queen. The night was great fun for all those who attended and one not easily forgotten.

The Ophelia Club once again enjoyed a very successful and productive year. With the assistance of the advisor, Mr. Ornstein; president, Lisa Kleckowski; vice president, Rena Addamo; secretary, Tammy Fredrick and treasurer, Micheline Poulin, the Club's goal, to develop leadership by providing service to the school and community, was attained.

Members of the Club kept quite busy this year with numerous projects. During the fall, Ophelia members were involved with Parent-Teacher Night, the Governor's Conference on Voluntary Action, and the Balloon Launch for Multiple Sclerosis. November brought the Clothing and Toy Drive which assisted the CCSU Swingathon, the Interscholastic Food Drive and the School Turkey Contest. This year's first place winner was Tammy Frederick. Runners up were Art Roy, Janet DeMay and Michael Sagan. Proceeds went to the Ledgercrest Convalescent Home. The School Sweetheart Contest was held in February and the Blood Drive in May.

Money gained from the fund raisers is used to provide the National Honor Society scholarship, awarded to a deserving member of the graduating class.

On Friday, January 28, forty-three new members were inducted into the Berlin High School Chapter of the National Honor Society. The ceremony, planned and conducted by current members, featured a keynote speech by Mrs. John Deming, retired English department chairman and congratulatory remarks by Dr. Giandomenico, superintendent of schools.

UNDERCLASSMEN

Freshmen

The class of 1986 eagerly began their four years at Berlin High School by electing their class officers. Under the advisorship of Mrs. Frost, they began the traditional magazine drive and successfully grossed the most money in the history of the high school.

For the first time at Berlin High, the incoming freshman class escaped a formal initiation. Instead they were welcomed by the seniors at "Senior, Freshman Fun Night," sponsored by the Berlin Council of Youth.

Homecoming 1983 gave the freshmen their first experience of Berlin High School formal events. The freshman attendant was Jill Maguder.

The spirited class finished out the year by wishing a final farewell to the seniors with a Senior Breakfast.

With the help of the advisor Mrs. Coliacovo, the class raised money through Bake Sales and Candy Drives to help pay for the cost of the Junior Prom in 1984. The sophomores also ordered their class rings through a new company and plan to hold the first ring dance ceremony next year when they receive the rings.

Juniors

Under the supervision of Mr. Warburton, the class of 1984 began its toughest and most important year of high school. The Juniors started the year off by decorating their hallway with Walt Disney Characters for Spirit Week. With much enthusiasm they showed their spirit by yelling and screaming at the Pep Rally.

Debbie Tolomea was selected as Junior attendant for Homecoming, and she was escorted by President Brian Kurnik.

On March 11, their Junior Prom was held at Humphreys in New Britain, and they danced to the music of Cut Loose. All in all, it proved to be an enjoyable evening for those who attended.

With fundraisers in the spring, the class boosted its treasury to prepare for an exciting and memorable senior year.

Senior George Siritotis lines up a back-hand shot.

The Boys' Tennis team aced its way to a third place standing in the Northwest Conference with a record of 8 and 4. The young team, coached by Sal Caruso, showed great improvement throughout the course of the season; the underclassmen also gained valuable experience from veteran captain Dan Durkee.

1983 seniors on the club included George Siritotis, Gary Johnson, and Corrado De Gaspersi. The doubles team of juniors Brian Fitzsimmons and Peter Bertagna also played well, and participated in the Class M State Championships at the close of the season.

With the team showing improvement, potential, and experience, the future looks bright indeed for the Boys' Tennis Team.

GIRLS' TENNIS

The Girls' Tennis team smashed a 12 and 4 record in the Northwest Conference, good for second place. It was the seventh season in a row that the team finished in first or second. Coach George Hall, aided by captains Kathy McCarthy and Allison Vigra, guided the team to this fine season.

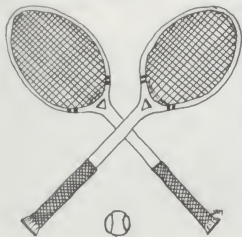

1983 seniors on the team were Lori Drake and Kathy Lindgren. The squad went on to win second place in the Conference Championships and the #1 doubles team of McCarthy and Vigra took third place in the State Championships. Following such a successful year, the team hopes to become even better after gaining this valuable experience.

Holding its own in the competitive Northwest Conference, the Boys' Track Team ran to a 2 and 11 record; in age-group competition, Berlin won high honors in the conference Novice Meet and the Freshman Invitational Meet.

The team consisted of twenty athletes, the largest in recent years. 1983 seniors on the squad included Tony Ryba, Steve Lund, Bruce Boscolo, and Seth Wendehack. Several team members showed individual brilliance; Lund and Ryba qualified for the State Sectional, while Tony placed twelfth in the 3000 meter state open race. Led by captains Jim Bolles, Ryba, Boscolo, and Wendehack, the young team showed great improvement. Given the tremendous potential, coaches David Scannell and Jane Whippo anticipate an even more successful future.

Led by captains Mary Nardolny and Cathy Morrell and coached by Al Pelignelli and Jane Whippo, the Girls Track team raced to an 8 and 8 record in the tough Northwest Conference 1983 seniors on the squad included Micheline Poulin, Janet Demay, Joanne Dieli, Bev Blair, Kathy Lindsay, Allison Virotek, Katie Veley, Tammy Tighe, Michelle Nowak, Rena Addamo and Melissa Cole.

Highlights of the year included the shattering of several school records: Kathy Lindsay ran 400 meters in 60.2 seconds to place fourth in the State Meet; Sue Bolles set a new record in the shot put; Micheline Poulin established new records in the 800 meters, the 1500 meters, and the 3000 meters; Chris McCag broke records in the 100 meter hurdles and the 300 meter hurdles, and the relay teams set new records in the 4 x 100 meters and 4 x 400 meters. To end the season, the team went on to participate in the State Sectional in June.

BOYS' BASEBALL

Coached by Paul Baretta, Mike Sangeloty, and Rich McKeon, the Boys' Baseball team fought to a 3 and 13 record in the Northwest Conference. The captains were Mark Holmes and Scott Williams. 1983 seniors on the team were Brian Combott and Mario Campagna. Weakened by injuries and the graduation of several key players, the team was forced to rely on several underclassmen: filling the positions of shortstop, outfield, and pitcher, these young players responded extremely well to the pressure. At the close of the season, the ball club played in the Hadfield's Invitational Baseball Tournament. Having gained valuable playing experience, the team looks for successful seasons in the future.

Led by captains Kelly Lamb, Leona Gorneault, and Diana Aziz, the Girls' Softball Team chalked up a 14 and 8 record in the Northwest Conference. Aided by coaches Ken Parciak and Lynn Misteri, the team enjoyed a great season. 1983 seniors on the team included Sue Senaldi, Paula Gozzo, Michelle Genovese, Stacie Maltz, and manager Val Frost. At the close of the season, the team played in the State Tournament, finishing with a 1 and 1 record. Pitcher Sue Senaldi gained a record of 13 and 7 and also set a new school record: 146 strikeouts. With many veteran players returning, the team expects to play even better in future years.

Coached by Don Bates and Jim Bryers, the Golf team compiled a 21 and 9 record to capture the Northwest Conference Golf Championship. The squad, led by captain Glenn Rio, drove to a ninth place finish in the Connecticut High School Division II Golf Championship.

Kurt Erickson, the winner of the 1982 Redcoat Award, was the lone 1983 senior on the team. Another fine player was Andre Greco, who was named to the All-Conference Team. The team also started a fall program and held the first High School Golf Tournament; Greco and Erickson proved their skill by finishing first and second, respectively.

Encouraged by these successes, the team expects to continue its high-quality play in the coming years.

Football

TRI-CAPTAINS — Brian Gombotz, Jim LeVasseur, and Seth Wendehack.

Coach Al Pelligrinelli directs the flow of play from the sidelines.

The Redcoat football squad enjoyed a successful 1982 season. Coach Al Pelligrinelli's gridiron athletes captured a share of the Northwest Conference title with a 4-1 conference record. Overall, the team won five games and lost five.

Eight Redcoats were honored by being selected to the All Conference Squad: Seniors Brian Gombotz, Kevin Lavoie, Bill Warner, Tom Schrey, Corrado DeGasperi, Mike Tavarozzi; and junior Mark Buckley.

Gombotz and Tavarozzi led the team in yardage with 800 and 1000 yards respectively. Captains Seth Wendehack and Jim LeVasseur also made important contributions to the ground game. DeGasperi and Tavarozzi combined for 600 yards in receptions.

Noseguard Bruce Boscolo led a powerful defensive line which included seniors Warner, Schrey, Lavoie, and Thomson. These rushing Redcoats played an important role in the team's victories.

The defensive backfield was led by seniors Bob Russell, Tavarozzi, and Bill Arute. Their solidity and poise under fire forced many turnovers and gave problems to opponents' offenses throughout the season.

Coach Pelligrinelli can look forward to an even better record next season because of a large group of juniors who have been seasoned by 1982's success.

Wrestling

Quad-captains Brian Gombotz, Mike Tavarozzi, Doug Bartolomeo, and Mark Buckley

Coming off last year's record of 4-11, the wrestling team bounced back to post a Berlin High record season of 12-2-1. Led by quad-captains Doug Bartolomeo, Mike Tavarozzi, Mark Buckley, and Brian Gombotz, the team took second in the Platt Tournament and the Northwest Conference, and fourth in the state class "S" tournament. The Redcoats were paced by senior Doug Bartolomeo, who had 20 wins placing him first in the conference and third in the state; Derrick Sanderson, with his 18 wins putting him at second in the state and conference, and Mark Buckley whose 17 victories and team leading 27 take downs, including a record of nine take downs in one month, won him third place in the state. Other seniors on the team include Paul Pampuro, Mark Cooney, and Mike Tavarozzi. Coach Jim Day and his assistants Greg and Doug Frost did a fine job coaching this young team, and with most of the team coming back, next year will be just as good. — Brian Gombotz

The team's only seniors were captains Karen Ligouri and Janet DeMay. Outstanding performances were also provided by Dana Niles, Laura Stiano, and Rita Feole. The team hit a season-high score of 108.5 points for one meet. Following such brilliant performances, the team looks for a stunning season next year.

ADVISORS

LITERARY

Mr. Scannell tries to solve a problem that Cindy Grigorian and Tom Recck bring him.

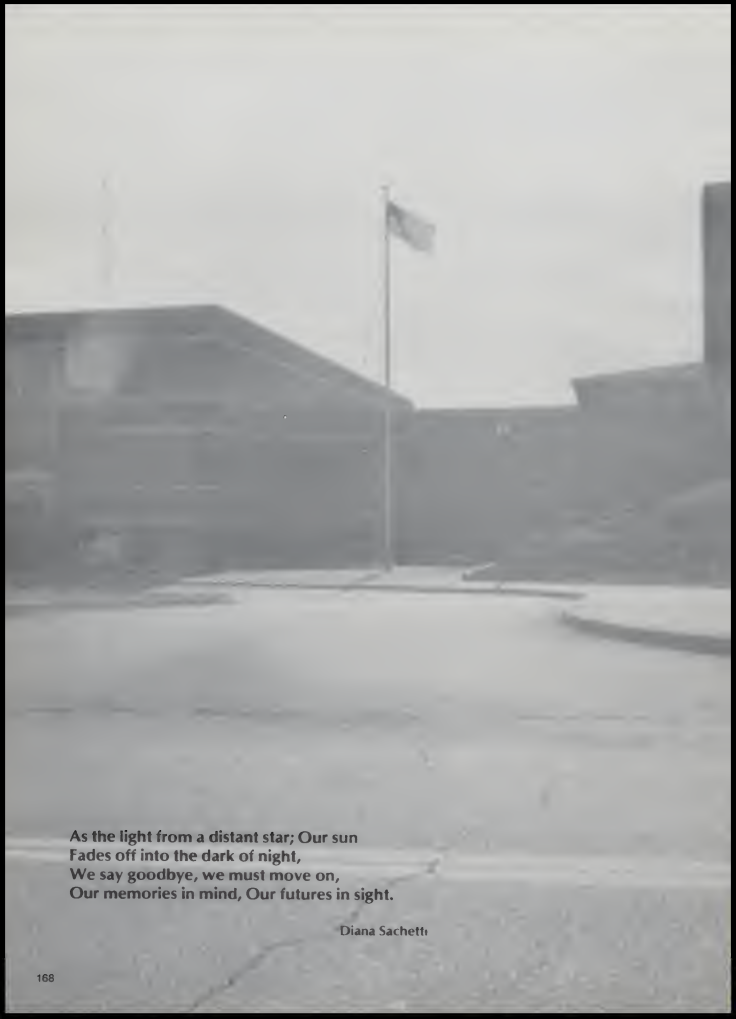

The staff of the 1983 Lamp Yearbook is proud and fortunate to have as its Literary Advisor Mr. David Scannell. His job is to advise and to assist with problems involving layouts and organization of the Yearbook. Mr. Scannell's initial objective was to get the newly-elected editors organized and familiar with the Yearbook procedures. Once this was accomplished, Mr. Scannell served strictly in an advisory capacity, letting the editors and the staff assemble the Yearbook themselves. For the staff, working on the Yearbook has been an enjoyable experience, for which Mr. Scannell's help is greatly appreciated.

BUSINESS

Mrs. Mary Ann Miklos continues her excellent performance again this year as Business Advisor to the 1983 Lamp Yearbook. Her job is to oversee all the business transactions and to advise the Business Editor, Bruce Boscolo, and the Advertisement Editor, Thomas Recck. With the constant supervision of Mrs. Miklos, both have done a remarkable job handling the business aspects of publishing the 1983 Lamp and have kept the cost of the Yearbook at the same low price as last year. The staff greatly appreciates Mrs. Miklos's help in keeping the Lamp in its good financial status.

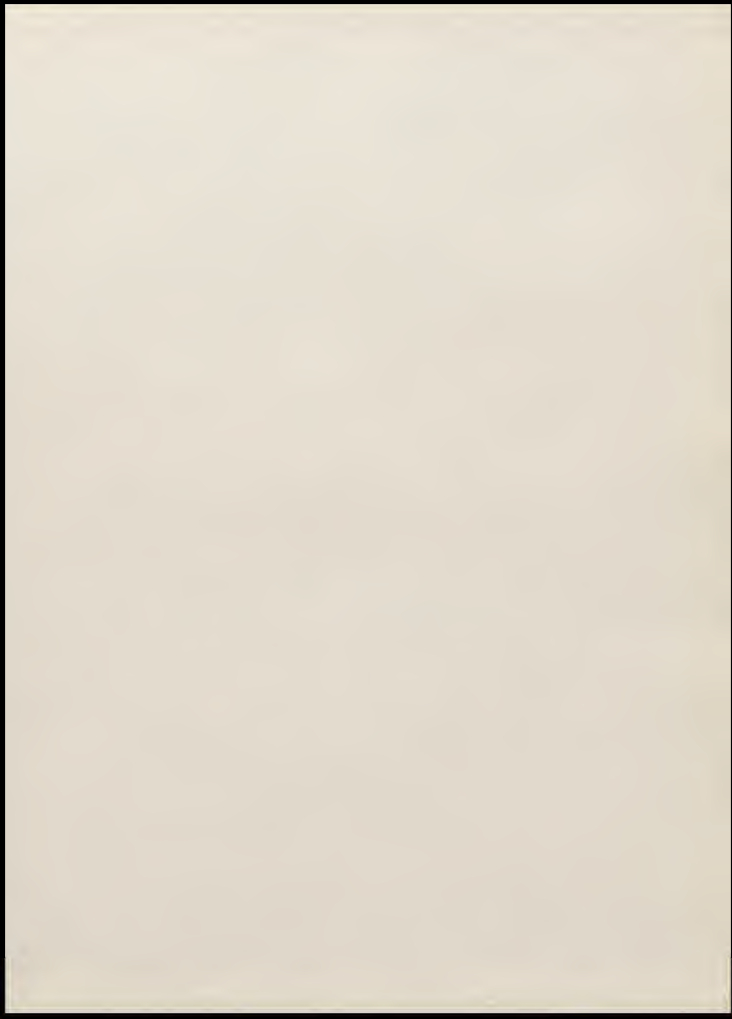

Mrs. Miklos, Business Advisor, goes over the books.

As the light from a distant star; Our sun
Fades off into the dark of night,
We say goodbye, we must move on,
Our memories in mind, Our futures in sight.

Diana Sachetti
